

“Making Your Governing Board Better!”

Constant measurement and analysis of governing board processes, practices, and culture is necessary to maximize your charter school’s overall performance. Strategic structuring of board tasks and operations will assure effective short-term decision-making and long-term vision for your school. During this three-hour training, our charter school experts will provide relevant, useable tools to *Make Your Governing Board Better!* From board administration to compliance, from planning to implementation, from policy involvement to legislative influence, your board can be more efficient, effective, and influential.

This training includes:

- Structured for Success
- Approachable Board Chairs
- Functional Board Members
- Meeting Preparation: Success v. Failure
- Shared Vision
- Equity and Fairness
- Parliamentary Procedure
- Secretaries | Minutes
- FOIA, GRAMA and OPMA
- Strategic Planning | 30,000 Feet
- Good to Great Policy Creation
- Real Subcommittee Power
- Capitol Hill and Policy Creation
- Real Legislative Influence
- Plain English Statute
- Administrative “Rules”
- Creating/Maintaining Cohesive Culture
- Charter School Board Resources

In addition to training presenters, we will facilitate a *Governing Board Powerhouse Panel*, including some of your own local charter experts, to share/network great ideas—you know that’s what we do best!
